Monday through Saturday of each month have been reserved for the Dirty Dozen. For example, if the first Monday works for your group, then that would be your day. It will be held from 4:30pm-8:00pm. Then grab 12 of your UFOs (unfinished projects) and label them 1-12. Then 6-8 of your sewing besties. Decide which night will work best for each of you. The shop will pick a number for each month and that is the project that we all will work on. If you don't have 12 UFOs, no worries you can choose a half dirty dozen and pick 6 UFOs. SKILL BUILDERS

Cost: All Skill Builder Classes are \$25

Skill Builder: Binding & Blocking Things

A nicely done binding is the perfect finish to any quilt, but the binding process can be intimidating if you don't know the basics. Join Susie and learn some pointers that will help you bind your quilts with nice straight edges and perfectly mitered corners. She will also demonstrate when and why blocking is such an important part of the finishing process.

Instructor: Susie Weaver

Date: Monday, 11/14 @ 10:00am to 2:00pm

Skill Builder: Little Things

The demonstration workshop covers fabric preparation, tools & equipment, rotary skill improvement, better sewing habits, pressing techniques, freezer paper stress reducing tips, demonstrations aimed at making quilts less stressful and more fun by doing a few simple little things differently. Everyone needs to bring their rotary cutters, problem blocks, bad habits, questions, and a snack.

Instructor: Susie Weaver

Date: Monday, 10/3 @ 10:00am to 2:00pm

Skill Builder: Squaring Up & Border Things

While this often overlooked (or skipped) step in the quilting process is probably the least fun part, squaring up can have a huge impact on both the process and the finishing product. Susie will share many of her techniques from squaring simple blocks to squaring up large quilt projects in preparation for adding the borders. She will present plenty of border application information as well. Bring problems and questions.
